HEALTH COVERAGE NOTICE

The Kentucky Department of Insurance is notifying Kentucky residents that products offered through Salvasen Health are terminating as of March 31, 2022. Products offered through Salvasen Health are not insured health plans and Salvasen Health is not licensed to sell health insurance in Kentucky. This action potentially affects 187 Kentucky residents. In order to obtain comprehensive health coverage, consumers currently covered by a Salvasen Health product must enroll in a new plan. This loss of coverage is considered a special enrollment period, which allows affected individuals to obtain new health insurance covered for 60 days.

If you are an affected individual you can contact Kynect, Kentucky's state based health insurance exchange, by calling Kynect at kynect health coverage (855-4kynect) [1-855-459-6328](tel:1-855-459-6328) or accessing Kynect's website at https://kynect.ky.gov/s/?language=en_US.
