

We are hiring! DOI is currently looking for an Insurance Policy Specialist II for the Division of Property and Casualty Insurance.

The Division of Property and Casualty Insurance is responsible for the review of rates, rules, and forms of all admitted property and casualty insurance companies. Operating in strict accordance with Kentucky's Insurance Code, the division consistently strives to provide a healthy, stable and competitive marketplace while serving to protect Kentucky's consumers.

We are looking for an Insurance Policy Specialist II to join our team of highly skilled professionals. As an Insurance Policy Specialist II you will perform complex research, analysis or planning functions related to Property and Casualty insurance. Assists in the training of new staff. Serves as project leader. Performs other duties as assigned.

If you are interested in furthering your career here at DOI, please follow the link below to see the complete job posting. If interested, please apply by 9/27/2023. If you have any questions regarding this opportunity, please contact Sandra Stumbo or Stacey Griffieth.
