The insurer hereby files to have its loss cost multipliers and, if utilized, expense constants be applicable to future revisions of the advisory organization's prospective loss costs for this line of insurance. The insurer's rates will be the combination of the advisory organization's prospective loss costs and the insurer's loss cost multipliers and, if utilized, expense constants included in the attachments. The rates will apply to policies written on or after the **effective date** of the advisory organization's prospective loss costs. This authorization is effective until disapproved by the Commissioner, or amended or withdrawn by the insurer subject to Kentucky Revised Statutes Chapter 304, Subtitle 13.

The insurer hereby files to have its loss cost multipliers and, if utilized, expense constants be applicable only to the above advisory organization Reference Filing.
