GENERAL INFORMATION

Properly submitted health care claims (including all claims already filed) by health care providers will be considered sufficient to establish a claim with the Liquidator of KYHC for health care services without the need to file a formal Proof of Claim.

Claims presented against KYHC will be reviewed by the Liquidator in accordance with KRS 304.33. The Liquidator will either approve the claim as filed or shall deny the claim in whole or in part. A written notice of approval or denial in whole or in part will be given to the claimant or counsel. Whenever the Liquidator denies the claim in whole or in part and the claimant objects within 60 days to all or any portion of the contested amount, the contested claim shall be resolved in accordance with KRS 304.33-430.

When all claims against the company are liquidated and approved by the Court, claims will be paid based on available general assets. The amount of payment will depend on the percentage of total assets to total claims in each particular claims class. This process will take a number of months after the October 15, 2016 deadline for filing claims has passed.

The Liquidator's acceptance of this Proof of Claim form is not intended to nor does it constitute any waiver or relinquishment by the Liquidator of any defense, setoff or counterclaim that he may have against any person, entity or governmental agency.
