Notice to Life Insurance Companies Domiciled in Kentucky

June 25th, 2021

KRS 304.6-143 contains Kentucky's Principle Based Reserve requirements that are specified in the valuation manual for life insurance and annuities. KRS 304.6-134 allows for an exemption to these requirements. A domestic company that meets the exemption requirements must send a request for exemption by July 1 of the current calendar year to the Commissioner. If this request is approved, the Commissioner will issue an exemption and will notify the insurer directly.
