

The Department of Insurance has received numerous calls about ACORD 25, 5/2010 edition. This form was submitted by ACORD as a replacement for the 9/2009 edition and it was approved in May 2010.

ACORD has granted permission for us to post the following links to its [Forms Notice of June 28, 2010](#) and [Certificates FAQ](#).

In addition we suggest review of [Advisory Opinion 2004-03](#).

Should an insurer wish to create its own Certificate of Insurance form to be used by the company and its appointed agents, it may do so. However such form must be filed and receive approval prior to use in Kentucky pursuant to [KRS 304.14-120](#). The form must comply with [806 KAR 14:006](#).
