(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes standardized Health Claim Attachments that must be sent to an insurance company for a provider to receive payment.

(b) The necessity of this administrative regulation: This administrative regulation is necessary as KRS 304.17 A-720(1) requires that the department promulgate administrative regulations prescribing standardized health claim attachments to be used by insurers. This administrative regulation prescribes standardized health claim attachments and minimum requirements for routinely requested medical information health claim attachments

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 304.2-110 provides that the Commissioner of Insurance may make reasonable rules and administrative regulations necessary for or as an aid to the effectuation of any provision of the Kentucky Insurance Code as defined in KRS 3 04.1-010. KRS 3 04 .1 7 A-720( 1) requires that the department promulgate administrative regulations prescribing standardized health claim attachments to be used by insurers. This administrative regulation prescribes standardized health claim attachments and minimum requirements for routinely requested medical information health claim attachments.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will assist establishing standardized health claim attachments and minimum requirements for routinely requested medical information.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendments to this administrative regulation are technical in nature and ensure the drafting requirements set forth in Chapter 13A are met.

(b) The necessity of the amendment to this administrative regulation: These amendments are necessary to comply with KRS Chapter 13A.

(c) How the amendment conforms to the content of the authorizing statutes: KRS Chapter 13A requires specific drafting requirements for administrative regulation, and these amendments adhere to those requirements.

(d) How the amendment will assist in the effective administration of the statutes: The amendments concerning drafting requirements of Chapter 13A are to ensure readability and efficacy of administrative regulations.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This regulation will affect all insurers offering health benefit plans and any provider requesting payment from the policyholders' insurer.

(4) Provide an analysis of how the entities identified in the previous question will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions each of the regulated entities have to take to comply with this regulation or amendment: Health Benefit Plans must follow the standards set forth in this administrative regulation regarding health claim attachment formatting.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities: There is no expected cost associated with this regulation.

(c) As a result of compliance, what benefits will accrue to the entities: This administrative regulation sets forth the standards for health claim attachments, so regulated entities must follow these standards to be in compliance with the regulation and avoid any penalties.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: Implementation of this amendment is not anticipated to have an initial cost on the Department of Insurance.

(b) On a continuing basis: Implementation of this amendment is not anticipated to have an on-going cost on the Department of Insurance.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The Department will use funds from its current operational budget to perform the tasks necessary.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment:

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: No fees are established in this administrative regulation.

(9) TIERING: Is tiering applied? Explain why or why not. Tiering is not applied because this regulation applies equally to all insurers offering health benefit plans in the Commonwealth of Kentucky.
